

### **Producers or Certifiers**

If you have an accreditation scheme which covers cattle, pigs, sheep or poultry, or if your product is accredited by a standard, and it is not available on the consumer guide please complete a survey so that the standards can be added. Alternatively, please contact us and we can send you a hard copy of the survey to complete.

[Click here to complete an online survey](#)

### **Consumers**

If the product you buy is not in the consumer guide, write to ask them to complete the survey or provide us with their details.
